Testimony of Sis. Satyamma

Sis. Satyamma's life is a powerful witness of God's grace in the midst of deep suffering. She is a single parent who, within the last two years, experienced unimaginable loss. She lost her daughter-in-law, her elder son, her husband, and her younger brother. Such sorrow could have crushed anyone, yet God sustained her.

Even in her grief, she would occasionally come to our prayer fellowship. On the last Sunday of April, during a message from Jonah Chapter 2, the Word of God deeply touched her heart. Just as Jonah cried out to God from the depths, Sis. Satyamma felt God speaking directly into her pain and calling her closer to Him.

After the message, she came forward with a sincere desire to take baptism and follow Jesus Christ. We encouraged her to spend one week seeking God in prayer and preparing her heart for this step of faith.

On the way to her baptism, she met with an accident. Yet even in that situation, her faith did not shake. She remained joyful and determined, expressing her strong desire to be baptized and follow Jesus no matter the circumstances.

After receiving medical treatment, the very next day, we as a church gathered together and joyfully baptized her. In the midst of loss, pain, and physical suffering, she chose to surrender her life fully to Christ.

Today, she is living with one daughter and one son, and continues her journey of faith with hope in God. Her life stands as a testimony that even in the deepest valleys, God's call brings new life, strength, and purpose.
